

SAVE A LIFE

Dispose of RX Drugs Safely

Disposing of expired, unused or unwanted drugs the right way can protect people and the environment. Here is why drug disposal is important:

NO QUESTIONS ASKED

A permanent medication drop box is located at the Torrington Police Department.

576 Main St,
Torrington, CT 06790

DRUG OVERDOSE

is the leading cause of accidental death in the U.S. Prescription drug misuse is a main contributor.

MISUSED PAIN MEDICATIONS

are often from home medicine cabinets. 69% of people who misused pain medication got them from a friend or relative.

DON'T FLUSH!

Most medications can't be filtered out at sewage treatment facilities and can contaminate our water.
